

Thank you for your valuable support in 2015! We are pleased to share with you SKILL Foundation's 2015 Annual Report. In 2015, SKILL Foundation enrolled 273 students, including 60 students from the Rikhiapeeth at Rikhia in Deoghar.

SKILL Foundation is an educational Trust registered in Mumbai with branches operating in Patna and Chandan (Banka). The mission of SKILL Foundation is to develop life skills of the underprivileged youth in the country. Through its many activities, the Foundation is helping underprivileged children develop a well-rounded personality to become employable and seize the emerging opportunities in a vibrant economy. The immediate requirement of the underprivileged children in India is learning English, Computers, Maths and World Around Us (General science). The Foundation at the moment offers unique courses in English and computers.

SKILL Foundation's impact can be gauged from the fact that in a short span of 9 years it has seen a phenomenal growth in its activities and has attracted an incredible response from the community. Our free English, computer, maths and World Around Us (General Science) courses have become successful, with children pouring in from all parts of the state. A number of them have got employment or admission in MBA, engineering and other higher institutions including IIT. Unfortunately, because of the Foundation's limited resources, we are forced to refuse admission to many children on a regular basis. These eager children are drawn to the Foundation because of its unique teaching methodology and positive feedback from the Foundation's alumni, many of whom continue to be associated with the Foundation as teaching assistants.

The Foundation is running on the principles of collective leadership. Unlike some other trusts SKILL Foundation is unique because two of its trustees Mr. Prem Verma and Mr. Himalay Verma are directly involved in the day to day activities of the Foundation.

The Foundation has developed a program to involve students in the management of its activities. Some of the willing students are selected as Teaching Assistants (TAs) and Trainees. These TAs and trainees are involved in class management, attendance of students and administrative work. On account of this special training they become more employable and are able to get jobs outside as well as at SKILL Foundation. Furthermore, some students get associated with the Foundation to get work experience for career enhancement.

Mr. Prem Verma (SKILL Foundation) name has been selected for the presentation of "Jewel of India Award 2015" and "Certificate of Excellence" for your outstanding achievements.

Computer Training at Rikhiapeeth: The computer classes conducted during the Silver Lining Jubilee at Rikhiapeeth from 15th to 27th July 2015. SKILL Foundation had sent a team of trainers and trainees to Rikhiapeeth for give computer training. 56 students were trained in basic and advance computer. We taught them MS Paint, MS Word, MS Excel MS Powerpoint etc. We have awarded certificates.

Exhibition for English and Computer at Rikhiapeeth: A team Trainers, trainees and Teaching assistants (22 Students) went to Rikhiapeeth for Exhibition of Spoken English and computer during 10th December to 22nd December 2015. Mr. Prem Verma (Founder trustee), Mr. Himalay Verma (Managing Trustee) and Mr. Ashok Verma (Trustee) accompany the group. It was great experience and knowledgeable interaction SF the students.

Training for visit to Bihar School of Yoga (BSY): A group of 42 students including Mr. Himalay Verma sir and Mr. Ashok Verma will visit BSY, Munger in June from 6th June, 2015 to 15th June, 2015. The extempore chanting of Bhagwad Geeta (both in Sanskrit and English) and dancing on the tune of mantras viz. "Hanuman chalisa" "Guru Astakom" were performed. Hanuman chalisa was amusing that Swamiji invited us to perform the dance on occasion of New Year 2016 (1st Jan).

New Year Celebration: we have chanted 58 times hanuman chalisa on occasion of New Year 2015. About 50 students participated in the occasion. The chanting has been started at 6:30 am and finished at 9:00 am. We had distributed sweets to the students.

Would Around Us: SKILL Foundation added a new skill of general study according to need of the students. We realised that knowledge of the students is very poor about the world. This class become runaway success. Now knowledge of the world has improved like anything. This class was personally conducted by Mr.PremVerma Sir. He is founder trustee of SKILL Foundation. Now the students are able to conduct the class.

English honors: SKILL Foundation launched another course of English honors. This class has conducted by Mr.PremVerma Sir. He is teaching this year part-I and Part-II both. The class conducted Monday to Saturday at 8:30 am.

SKILL Foundation Film:SKILL Foundation generated a SKILL Foundation. We have utilized old pictures and videos which was available at record. We hired videographer make the movie. He has recorded activity of SKILL Foundation.

Birthday: Mr.PremVerma has celebrated 69 birthdays with SKILL Foundation students. He has distributed sweets.

First World Yoga Day: We have celebrated First World Yoga Day on 21st June 2015. There were 45 students participated. We did Tada ashana, Tiriak Tada ashana, Katichakraashana, NadisodhanPranayam,BharamriPranayam etc. It is conducted by Mr.PremVerma Sir. Other trustee also participated in it.

Deoghar visit: Mr.PremVerma and Mr.HimalayVerma did pilgrimage Sultanz to Deoghar from 1st October to 4th October 2015. They went with kavar. They came to Patna on 6th October. They shared experience with students and shown the picture & videos also.They had distributed Prasad to students.

Admission: During this month from 18th to 20thFebruary 2015 the admission process in the free English classes was conducted. SKILL Foundation has made a qualitativejump towards computerization of the records and maintenance of Data Base of the profiles of SKILL Foundation students. The admissions were taken directly on the Laptop and the daily attendance of the students is now being computerized on a daily basis. The entire process was managed by the Trainees and the Teaching Assistants. It was a direct demonstration of the organizing skills learnt by the students at SKILL Foundation.

Housekeeping Work:From 1st to 5th January the Trainees and TAscompleted the housekeeping work of the office. They arranged the files of 2015 and archived them. We have sifted office in guest room and guest room sifted to puja room. The entire work was done by the students themselves under the supervision of the Faculty.

Mr.PremVerma, Mr. Ashok Verma and Mr.HimalayVerma went to Chhotan (staff) home (for your information he past way on 23rd December 2015). **Some of Trainees also went to his home with sirs. Prem Sir has given Rs.2000/- and Ashok Sir Rs.1000/ to his family for Sarad.**

Total classes: SKILL Foundation conducted1459 classes in 2015, under various disciplinesi.e.

English, Yoga, Library, Computer, Maths Karma Yoga, Movie, Mantra Chanting and English Hon's– a testament to the significant increase in the Foundation's activities.

English Training: SKILL Foundation has developed a unique Yogic method of English teaching. During the year we organized 181English language classes. Every class at SKILL Foundation begins with a 10 minutes session of Yoga consisting of Tadasana, BhramariPranayam, Meditation, chapter 12 Bhagwadgetaand Prayer. SKILL Foundation has developed a unique method of teaching English through its proprietary **Nine SKILL Mantras**representedby a set of triangles. This helps the students practice simple sentences. At the end of the class, the students have a Fun andGames session to encourage them to speak in English. In the 2015 academic session, we put special emphasis onpronunciation, which resulted in significant improvement instudents' speaking skills. At the Foundation's Annual Function, the guests greatly appreciated the students' English speaking skills.

Four-month compressed paid EnglishCourse (for college students and other adults)has picked up well. We held 7 classes in 2015, representing an attendance of 494.As an incentive the Trainees and

Teaching Assistants are allowed to attend the Paid course for advanced training. This class has been discontinued because of sorted of time.

Mantra Chanting Classes: SKILL Foundation uses Mantra Chanting classes consisting of Kirtans, Mahamritunjaya Jap, Hanuman Chalisa, and other mantras every Saturday evening. Mantra Chanting has a special place in our curriculum, as it helps to hone the students' diction and voice modulation for public speaking. Kirtan uses sound for focusing the mind and developing aural perceptions, emotional expression, self-confidence, and creativity, and is therefore an effective tool for teaching a foreign language. Kirtans are so simple that even the youngest child can sing them. All the children in the class spontaneously join the singing and dancing.

Library: The library of SKILL Foundation was further enriched this year by the addition of more books. The Library is open to the students on every Sunday 10AM – 12 PM for reading. The students manage the library, and this year the library records have been fully computerized. The SKILL Foundation faculty guide students on the selection of books. The students have access to dictionaries to help them improve their vocabulary. We welcome contributions in terms of books for the library. The library now has 1488 books under the following categories:

- ❖ Encyclopædia Britannica Series: Macropædia ready reference -34 volumes
- ❖ Encyclopædia Gardening-3 volumes
- ❖ English Fiction-198
- ❖ Non-fiction-331
- ❖ Children Books-349
- ❖ Management-67
- ❖ Yoga-268
- ❖ Dictionary-23
- ❖ Hindi-89
- ❖ Computer-6
- ❖ English Teaching Books-43
- ❖ Mathematics-37
- ❖ Yoga Magazines-40

Sunday Movie: English movies were screened for the students on Sunday afternoons. The movies were carefully selected by the faculty to help them learn English pronunciation as well as important life skills. SKILL Foundation has a collection of very good English films, which help improve the students' pronunciation. The Foundation screened 46 movies this year, which the students enjoyed immensely. We added several new movies to the SKILL Movie Library in 2015. The following are

- A Passage to India
- Alice In Wonderland (2010)
- Bend It Like Beckham
- Godfather I
- Harry Potter-4, 5, 6, 7
- Oliver Twist(2005)
- Piku
- Robinson Crusoe 1954
- Tangled 2010
- The Adventures of Tintin (2011)
- The Godfather Part 2 (1974)
- Tinker Bell And The Lost Treasure (2009)
- To Sir With Love
- Troy

- War Of The World
- Treasure Island 1990
- War and peace

Seva and Karma Yoga:The SKILL Foundation Environment Council helps students learn the value of Karma Yoga, Seva (service), health and hygiene. The Foundation has adopted 10 streets in the locality, which the students keep neat and tidy. Every Sunday the students clean up these streets, and help the community to maintain a clean environment. We organized a special mega karma yoga event during the Chath Puja when the students cleaned the entire locality, a gesture that was greatly appreciated by the community.

Quiz Competition is an important part of the curriculum of SKILL Foundation, to help students build confidence in English speaking. It was organized every Friday, in which the students' English speaking skills were tested. This has become a runaway success with the students because of the students' enthusiasm. They are divided into two groups-SKILL Lions and SKILL Tigers. The teams get scores to compete for the running trophy each year. A key rule of this competition is that if any student speaks a language other than English, his or her team loses points. Quizzing has proved to be a very good tool for removing the students' inhibition in speaking English freely. Apart from the fact that regular English training is given with laptop & LCD, SKILL Foundation has started using power point presentation for Quizzing.

Guest Lecture:The Guest lecture program is a special tool employed by SKILL Foundation for development of the under-privileged children. The students get to meet people who have been successful in life and thereby learn various soft skills of life. The guests this year were:

- Ms. Shreya Trivedi,
- Mr. U. K. Chaudhary, Retd. Chief commissioner of Income Tax, Patna
- Mr. Abhishek Arun, Software Engineer, Working in Barclay Bank, USA
- Mr. Sanyay Shivam, IRS
- Ms. Neha Aryan, Deputy Manager of ICICI Bank at Raja Bazar,
- Mr. Abhishek Kumar, Financial Service Manager, ICICI Bank, Raja Bazar.

Yoga Classes:Every morning SKILL Foundation students do Morning Sadhana, which consists of chanting of mantras of Saundraya Lahili and Bhagwad Geeta. The students also practice yoga asanas suitable for children under expert guidance. SKILL Foundation has seen a marked improvement in the pronunciation of English words and the confidence level of the students.

Sponsor a Child Program:This year 32 students were provided free English and computer training at SKILL Foundation. They have been trained under "Sponsor a Child Program". Under the SACP, well wishers of SKILL Foundation donate Rs10,000 for English and computer training of two needy children during the year. All donations to the SKILL Foundation are exempt under section 80 G of the Income Tax Act. The names of the donors and the students sponsored by them are published on the Facebook page of SKILL Foundation and the website www.skillfoundation.com. SKILL Foundation would like to deeply thank its donors for their liberal contribution to this mission of development of the underprivileged.

2014 Contributors of Sponsor a Child Program:

Ananda Bose	Manas Jena	Sunil Chadha	Lalmani Garg
Edward Yang	Ashok Kasyap	Manish Kumar	Srikant Mandapaka
Ravindranath Boolakee	Shashwat Sahai	Jai Thomas	Geetika Dayal
Shiv Sinha	Sunil Jain	Savyasachi Sahay	Dharmesh Anand

Computer Class: Computer classes are held from Monday to Saturday. We teach basic & advance computer, Tally, AutoCAD, Photoshop and so forth. In 2015, we held 231 computer classes representing an attendance of 955. We are unable to increase the average number of students per class because of lack of PCs. We look to your support for increasing the number of PCs.

Activity class: 246 classes were held in one batch on every day except Sunday at 3:00 to 4:00 pm. During the class students learnt various dances on based on kirtans and other mantras like Hey Ma, Gayatri Mantra, Hanuman Chalisa etc. dances were taught which is developed by our sir, Mr. Prem Verma. In this class, children play various games also.

This year SKILL Foundation has developed one dances based on Sanskrit mantra “**Guru Astacom**” The Choreographer of the Dances Mr. Himalay Verma. The students learnt Bharatnatyam ad buses.

Other Event: The Foundation has organized other events like Durga Puja, Maha Shiv Ratri etc.

Chandan Branch of SKILL Foundation: The English teaching classes at the Chandan branch has been quite irregular on account of various infrastructure and local rural activities. Absence of a building being the main factor this year a concerted effort was made to get a piece of land from Skill Foods. Now that the land for the building of SKILL Foundation school building has been identified very soon the building construction will be started. SKILL Foundation has been approaching the donors for the funds for the school at Chandan.

9th Annual Function Preparation: The date of annual function has been shifted in April 2016. We have started the preparation for the function. We are practicing the following things- Ramayana drama, Bhagwad Geeta Stoka, Kirtan dance, Hanuman Chalisa dance, Gayatri Mantra dance etc.

FCRA Registration: After a two day rigorous inspection on 24-1-12 and 25-1-12 and a submission of significant amount of supporting documentation, SKILL Foundation received the registration for the Foreign Contribution Regulation Act (FCRA) in 2012. This registration allows SKILL Foundation to accept donation from foreign individuals and organizations in foreign currency.

This year SKILL Foundation took the innovative step including individual reports by the trainees, and the trainers in the annual report. This makes the report more realistic as these are the individuals who make it happen at the ground level. The reports of the trainers are as below.

Aditya Kumar

I am a Trainee at SKILL Foundation. I taught Computer at SKILL Foundation. I manage Database and Attendance of the students at SKILL Foundation. I worked in Math's presentation and Quiz also. I maintained CD and DVD Library of SKILL Foundation. I am in-charge of Sunday Library class at 10am and I wrote notes of library class. I also helped in SACP work. I made presentation of Guest Lecture and all festivals and functions at SKILL Foundation. I went to Rikhiapeeth for teaching English and Computer and also went for the exhibition at Rikhia. I have done housekeeping work. I also make Monthly Report at SKILL Foundation. I learn English, Sanskrit, Math, World Around Us, Dance, Kirtan, Computer, Yoga, History, Geography, Civics, Karma Yoga, Photo Shop, Auto Cad etc at SKILL Foundation.

Ruby Kumari

When I had joined Skill Foundation I was very shy and I was not able to read and speak English correctly. Sir had taught me English in a very easy way and I thought that if I want to learn English

then I have to catch this method and I have done that only. Later on I became a Teaching Assistant. As a TA we have to follow the Nine golden rules of Skill Foundation.

I am the in-charge of the Library at SKILL Foundation. In the library I have to arrange the books in the sequence according to serial numbers and also clean the books and then keep them in the right place. I was given the SACP work where I have selected the students for computer training and taken their photos. I filled the data's in the computer and the SACP register. My handwriting has improved while writing in the register and my typing speed has improved. I also helped in the translation work of Bhagwadgeeta taken up by Sir and prepared the hard copy of the Bhagwadgeeta translation. I wrote the Sanskrit slokas and their meaning in English. While doing this work I have memorized many Slokas also.

Sir had given me opportunity to take the English classes. While teaching, I learnt a lot and when I made mistake sir corrected my mistakes. There is one thought of SKILL Foundation that I like:- “ Learn while you teach and teach while you learn” .This teaching will improve my pronunciation of English.

Later on I got the work to make the presentation on Histroy. This work also helped me to know more about history. I believe in the thought taught at SKILL Foundation that ” He who loves his work never labours. One who can do any hard work with pride and efficiency can achieve anything in life.” I will always try to learn new, new things. I will do it ,sir

Prem Chandra

I am telling you what I did at Skill foundation

1. I am in-charge of the Morning Sadhna class at SKILL Foundation. I come daily at 4:30 in the morning and clean the temple and arrange the class and also make attendance.
2. I am also incharge of the Karma yoga classes in SKILL Foundation in the morning. Every morning I cleaned the road outside the SKILL Foundation building.
3. I have also made some power point presentation for the World Around Us class and also for the Math's class.
4. I did voucher entry of expenses of SKILL Foods
5. I made the soft copy of comments of Sir in respect of the Bhagwadgeeta slokas.
6. Sometimes I took the morning sadhna classes and sir called by phone and explained about the sloka of Bhagwadgeeta for the day.
7. Although I am only student of tenth Sir allowed me to attend the English Hons class,
8. Sometimes in absence of sir I stay here in the night to guard the SKILL Foundation.

Chandan Kumar

1. This year I conducted the Mathematics class in which I taught the Arithmetic. By this I am learning tricks of Mathematics to handle any problem of Math very easily.

2. I also made Maths Presentation – Arithmetic & Commercial Mathematics, Algebra.

3. I have also conducted some classes of English, World Around Us and Dance.

4. I made the Database, Attendance Register, Monthly Statistics & Annual Statistics of SKILL Foundation.

5. I also made the accounts entry in Tally for SKILL Foods & SKILL Foundation.y

6. I did the BhagwadGeeta Notes Editing

7. I also do th photography in the functions of SKILL Foundation Photography

This year I also visited to Munger Ashram “Bihar School of Yoga”. I got a very good training of how to live our life in a yogic way. There we were also trained as the teacher of yoga. This year's visit to Munger Ashram was great.I am grateful to sir for all that which he has provided to us at SKILL

Foundation. He has taught us to live our life in a very simple way and gave twelve gifts of Work, Money, Friends, Gratitude, Learning, Problems, Family, Laughter, Dreams, Giving, Today is a day and Love. One who follows these Gifts will be a successful person in his life. Sir appreciated me when I did good work which encouraged me to do even better. And become an exceptional student of SKILL Foundation. He has taught me to take my decision myself. But still I am trying to learn more things from Sir and improve myself. The Glory of SKILL Foundation and Mr. Prem Verma Sir cannot be express in a few words. I want to thank sir whole heartedly for everything.
Thank you sir!

Ranjeet Kumar

2015 is a dynamic year for SKILL Foundation because the year had started with chanting of hanuman Chalisa 58 times. According to need of students, SKILL foundation adds new skills every year. The Foundation had added two skills **World Around Us (General Studies)** and **English Honours** this year. SKILL Foundation is teaching Bhagwadgeeta form more than three years. The foundation has developed the book of Bhagwadgeeta in easy English language which is easy to understand. The draft copy was sent to Swami Niranjanananda Srawasti for his blessings. The book is an outcome of teaching Bhagwadgeeta in Sanskrit, English and Hindi to the students. We developed new dance (Guruwastakam) based on Bharatnatyam adbus. The Choreographer of the Dance is Mr. HimalayVerma.

A group 40 students visited Bihar School of Yoga, Munger. The study tour was very valuable for the students. BSY had given training of Trainees to SF trainees and students learnt how to play Harmonium & Mridang. SKILL Foundation students had preformed before Swami Niranjan . Swami Ji blessed us and appreciated the performance. Swami Ji invited SKILL Foundation for dance performance on Hanuman Chalisa chanting on 1st January 2016.

SKILL Foundation team conducted a one month crash course of Spoken English for the tribal children of Rikhia village at Rikhiapeeth (Jharkhand). SKILL Foundation also gave training of computer at Rikhiapeeth, Deoghar, Jharkhand. We trained about 60 Rikhiapeeth students in only 15days. The trainees were given training in MS Word, MS Excel, MS Power Point, MS Paint etc. The training was very successful. Swami Satsangi asked SKILL Foundation advance computer such as AutoCAD, Tally, etc. to the students who have already learnt basic computer next year.. SKILL Foundation also put up a stall of English and Computer training in the exhibition in Silver Jubilee closing Ceremony 2015 celebrated from 15th Dec. to 25th Dec. 2015.

This year SKILL Foundation celebrated Diwali in a grand way. The students of SKILL Foundation did the lighting and decoration themselves. The students made beautiful Rangoli and played with crackers. The whole function was managed by the students under the guidance of faculty. SKILL Foundation also celebrated other festivals like Holi, Durga Puja and Maha Shiveraatri.

We have system of reporting in the weekly basics where all Trainers, Trainees and Teaching Assistants report the progress work in the meeting. They give ideas and suggestion. Ranjeet Kumar conducts the meeting.

As usual we did Housekeeping Work at the end of the year. We cleaned and arranged the library. We did housekeeping of files and archived them.

Ashu Kumar

I'm a student of class X. Throughout this year I have learnt a lot at SKILL Foundation. I have learnt many important skills which are going to help me in every field of my life. SKILL Foundation has trained me so well that I can even train others. Many classes have been taken by me like— SKILL Foundation English class, SKILL Mathematics class, SKILL World Around Us class, SKILL Computer class, SKILL Dance class. I have also made many presentations of— SKILL World Around Us class, SKILL Mathematics class and SKILL English Honors class. I could take all these class because I had attended all these class as a student. SKILL Foundation is working to introduce a next

class namely SKILL Science. I have also worked for the presentation of SKILL Science. This year I have started attending English Honors Class.

I want to share an incident which is something like..... One day sir gave me Question bank of English Honors. He told me to type all the questions of English Paper–IV from year 2000 to 2015. I started typing. After 4 days, sir asked if there was any processor not, then I said that I had typed 4 chapter. Than sir said “only 4 chapters in four days. Than in next 4 days I typed the whole which were left. Then again sir said to type English Paper– III from year 2000 to 2015. And finally I typed the whole in next four days only. Sir appreciated me.

And this is how my typing was improved.

This year I got opportunity to visit Bihar School of Yoga, Munger, Bihar. Here, I learnt how to live alone and away from family without any problem or tension. I learnt there yoga and asanas in BSY. I learnt there how to play Harmonium.

This year we had a trip from SKILL Foundation to Rikhiapeeth, Rikhia, Jharkhand. In this trip I was the in-charge. I tried my best to take care of all the smaller children and all others. Only bad habit I had was to being angry for others but I overcame my vice. In Rikhia, I had learnt very important skills, especially how to manage the group. We had our exhibition in Rikhia for SKILL English class and SKILL Computer class. I was in-charge in exhibition. I did photography for our trip.

There was a SKILL Photography class held in SKILL Foundation by our trusty Mr.Ashir T. and Ms.ShaliniVerma. I attend this class in which I knew some important photography tips. I also took part in SKILL Photography Competition.

Today I am the best in my school and in class in every way. I have something vital skills which others don't have. And there is 100s 1000s of children who need such type of skills for their better improvement and success in their life. Because in this modern age whole thing is going to be digitalized.

Once again I'm saying that I have learnt many things and still I'm trying to learn more and more.

Today I thank SKILL Foundation for giving a lot.

“Thank U SKILL Foundation”

“I will do it, sir”

Hritik Kumar.

My name is Hritik Kumar. In this year I did so many things, like I made the presentation of Maths, World around us (History, Geography and Civics), English and English (horns). I also wrote the notes of Morning Sadhana Maths class and Computer class. I took the Computer class.

I also went to BSY (Bihar School of Yoga), there we enjoy every moment meditation. There we did Karmayoga, Yoga, Music class, Kirtan etc. There we got to write of this trip. I got to write of Yoga Class.

I also went Rikhiapeeth two times, first for teaching computer, here I with other SKILL Foundation students' taught the Basic and Advance of computer. And second for attaining the program with students and sir. Her I got the incharge of this trip, and I have to write whole report of this trip. In this trip I learnt so many things.

In SKILL Foundation I learnt everything what I cannot learn anywhere.

NibhaKumari

This year I have taken the English classes at SKILL Foundation. This way I got a chance to brush up my knowledge and improve my English speaking throughout the year. This year we learnt all the chapters of Bhagwadgeeta both in Sanskrit and in English. We also learnt some adhavu (some dance steps) in Bharatnatyam and we developed a Bharatnatyam dance based on Guruvastakam. Sir also taught me English Hons which helped me in clearing my university exams. It also enriched my

vocabulary and knowledge of English in many respects. I also led the study tour of SKILL Foundation at Munger & Rikhia Ashram, where we learnt plenty of things.

In Rikhia we got a chance to show our yogic way of teaching English & Computer in the Exhibition. This year we celebrated a grand Diwali at Skill Foundation. We learnt that even if we spend less money we can use our ideas to do things and have a nice function.. We had also photography class and competition conducted by Ashir Sir & Shalini ma'am. Now whenever we take photographs we take care of the tips learnt in the class. In the housekeeping work we made our library more organized and shifted the office of SKILL Foundation to a bigger room. During the later part of the year Sir introduced The Bible and The Qur'an along with the existing Bhagwadgeeta in the Morning Sadhna class.

Sanjeev Kumar

When I came to Skill Foundation. First day I was read Skill nine mantras pronunciation of (A) . I asked to sir, what is pronunciation. Sir said that If you don't know pronunciation. So you cannot speak in English correctly. Sir told me at Skill Foundation first rule of pronunciation. Sir told to me you should come in Morning because in Morning every day I take the class of Bhagwadgeeta. If you come in Morning. You learn Sanskrit, English and Pronunciation also, you also speak in English. When I gone to Rikhiapeth. then I came back at Skill Foundation. Then I come to every day in Morning. I learn Sanskrit, English and Pronunciation. I learn Basic and Advance. But now I come in Morning every day. Every day first I am starting SaundaryaLahari and I read also SaundaryaLahari. After I clean the class room and Mandir. Every day clean the class room and Mandir. Sir said that in new years I start the Bible, Qur'an and Bhagwadgeeta everybody should come in Morning. Sir said that one day I teach Bible, one day Qur'an and Bhagwadgeeta. I learn Bible, Qur'an and Bhagwadgeeta. What is the Bible, Qur'an and Bhagwadgeeta. I learn many dances.

I will do it, sir

Vijay kumar

This Report I am writing for skill foundation which I calls my second home. I also like to come in Morning Sadhana throe Sanskrit we learn English this is the main formula of teaching English at skill foundation. When I came to skill foundation I was very leggie but after the sir's idea of karma yoga I looked myself changed and I became a laborious boy. There is one more thing which I like that was trips of here in this we go Munger, Rikhiapeth, Chandan in this year one more place has been joint that is Netarhat, we will go there and learn some new thing from there we will see there's style's of eating, sleeping, reading and cleanness. And one more thing I like which we learn computers in skill foundation throe S.S.C.P. we learn computer's free. Sir' told us many types of skills like Pronunciation, Cleanness, Good writing, Management, how to speak, how to use washroom act. In trip's also we learn many things to stay with friends to compromise and self confidence. We also learn some new impotence things for our life firs we learn how to capture a photo and we did competition on that we gave three selected photo for that and good news is that I came second in that and gave me a certificate for that and one big and heavy gift also and that was my glade eased day of this longer life. For that I want to give a very-veryyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyy thanks to sir.
